

## **Ramallah Quaker Life Coordinator**

### **Ramallah Friends School**

In response to strong and consistent requests from all stakeholders in the Ramallah Friends School community, Friends United Meeting is creating a new field staff position titled “Ramallah Quaker Life Coordinator”. This long-term field staff position, to be filled by a mature Christian Quaker, will include the following responsibilities:

- Coordinate the ethics curriculum across all grade levels (this is the place in the curriculum where Quakerism and Friends testimonies are explicitly taught as a subject).
- Support the teachers of the Christianity curriculum (government-mandated for Christian students) in their holistic presentation of the gospel.
- Facilitate a deepening understanding and practice of Quakerism throughout the whole school, including helping students, teachers, parents, staff, Board members, and the wider community understand and apply elements of Quaker faith and practice in the RFS educational program.
- Assist the Principals to plan and lead the morning assembly (Chapel) program.
- Manage the Friends-in-Residence program for short and long term volunteers in the school.
- Support the school’s efforts in communicating the unique aspects of a Quaker education to a wider local and international audience.
- Provide spiritual encouragement and discipleship to Christian students, families and staff.
- Cultivate relationships with the Friends Council on Education and various Friends schools and Quaker educators in order to strengthen the community of practice for RFS teachers and students.
- Over time, seek to discern possible openings for strengthening the ministry of Friends in the Palestinian context beyond the confines of the school, working in collaboration with Ramallah Monthly Meeting as way opens.

- Report to the RFS Head of School and closely coordinate activities with the divisional principals.

As a member of the FUM field staff, the Ramallah Quaker Life Coordinator will work with the Global Ministries staff to develop prayer and financial support sufficient to sustain the ministry.

Applications will be received until the position is filled. For more information and to submit a resume and cover letter, contact:
